ENTERPRISE WEEK FOR CHILDREN IN NEED
Friday 17th November 2017

We are raising money for Children in Need through a series of Enterprise Activities that the children will be involved in. All the children from Year 2 upwards will be put into groups, in a similar way to Den Day, and each team will start the week with £5. They will then use this to devise and buy equipment and resources for an activity that will be offered to parents and other children on Friday afternoon from 2.30pm in the school hall, in the expectation that they will raise money for the charity. Class 1 will have their own stall.

We are asking that the children wear non-uniform for a 50p donation on Friday and that they bring other money to spend on the stalls and activities. We would ask that parents join us from 2.30pm to also visit the children's stands. All proceeds will be sent to Children in Need, once their initial loans have been paid back, and we hope that along the way, the children also learn some lessons in developing business!

We hope that you will support the children in this venture as well as supporting Children in Need.

There will be no Merit Assembly or Library on Friday afternoon.
